THANK YOU FOR VISITING!

WE WANT YOU TO KNOW...

WE USE ALL COMPOSTABLE PLATES AND  
CUPS. **WHY?**

1. BELLEWOOD IS A "ZERO WASTE"  
FARM. YOUR PLATE AND CUP WILL  
BE COMPOSTED INTO RICH SOIL.
2. THE FARM IS ON A SEPTIC  
SYSTEM. WE NEED TO KEEP MOST  
COOKING PRODUCTS OUT OF THE  
SYSTEM.
3. WE GET OUR WATER FROM THE  
GUIDE MERIDIAN WATER  
ASSOCIATION. WE WANT TO  
CONSERVE AS MUCH WATER AS  
POSSIBLE.

THANK YOU FOR UNDERSTANDING AND  
HELPING US.

*The farm is open for your enjoyment. Do  
not hesitate to visit the Distillery  
Tasting room, the Art Gallery upstairs,  
the Country Store and of course the  
Orchard.*

WE APPRECIATE ALL COMMENTS. PLEASE  
SHARE SO WE CAN SERVE YOU BETTER.  
ASK TO SPEAK WITH JOHN OR DORIE.

THANK YOU!
